

HERITAGE GARDENS SURREY CEMETERY LTD.

BY-LAW No. 1

A By-Law to provide for the regulation, operation, and maintenance of the cemetery located at 19082 16th Avenue, Surrey, BC V3S 9V2 (the "Cemetery") operated by Heritage Gardens Surrey Cemetery Ltd. (the "Operator")

.....
WHEREAS every operator of a cemetery must adopt By-laws for the Interment or other disposition of the deceased; respecting the organization, operation and management of the cemetery, including the setting of Fees; the size, class and kind of Memorials and materials used for Memorials; and the rights, privileges and responsibilities of the Operator, Interment Right Holders, and their relatives, other users, suppliers, funeral Providers, Memorial dealers and the general public.

NOW THEREFORE, the Operator, by its sole director, adopts the following provisions:

1. TITLE

1.1. This By-law may be cited for all purposes as the "Heritage Gardens Surrey Cemetery Ltd. By-Law No. 1".

2. DEFINITIONS AND INTERPRETATION

2.1. In this By-law capitalized terms not defined herein have the same meaning as set out CIFSAs, defined below. The following words have the following meaning:

"**Administration Fee**" means fees levied to cover additional administrative costs associated with the transfer or surrender of a Right of Interment and is not refundable;

"**Applicant**" means an authorized individual who has made petition to the Operator for a Right of Interment, Interment Authorization or Memorial Permit;

"**Business Days**" means all days excluding weekends and statutory holidays;

"**Business Hours**" has the meaning set out in paragraph 7.7;

"**Burial Vault**" means a protective, sealable outer receptacle, into which a casket or Urn is placed, designed to restrict the entrance of gravesite elements in the casket or Urn;

"**Caretaker**" means the person duly authorized by the Operator to perform Interment and to care for and maintain the Cemetery;

"**Care and Maintenance**" means any work, including, but not limited to, leveling, cutting, mowing, trimming and reconditioning, which is necessary to maintain a lot in keeping with the prevailing standard of maintenance care in the adjacent lots in that area of the cemetery;

“Cemetery Rules” means the written guidelines and procedures, passed by resolution from time to time, for office and field operations established by the Operator’s Board of Directors and utilized for management of the cemetery;

“CIFSA” means the *Cremation, Interment and Funeral Services Act* (British Columbia), as may be amended or superseded from time to time, and all regulations made thereunder including the Regulation, and references to sections of CIFSA refer to the Act (not the regulations);

“Co-Mingled” means the intentional mixing of Cremated Remains of more than one deceased person.

“Controlling Person” means, at any given time in regards to particular Human Remains or Cremated Remains, the person with the right to control the disposition of such remains pursuant to s. 5 of CIFSA ;

“Cremation Liner” means a receptacle made of durable material placed in a ground cremation Lot to encase an urn, or urns, holding cremated remains. A Cremation Liner has a lid and is placed during the Interment process.

“Crypt” means a chamber of a Mausoleum of sufficient size for entombment of human remains.

“Designate” means a person or class of Family Members whose Human Remains or Cremated Remains are authorized by the Interment Rights Holder to be interred in a Lot;

“Family Estate Columbarium” means a structure that accommodates Cremated Remains of Family Members, or other individuals approved by the Interment Right Holder(s);

“Family Mausoleum” means a structure, similar in appearance to but on a smaller scale, of a Mausoleum, that accommodates Human Remains of the same family, or other individuals as approved by the Interment Right Holder(s);

“Family Member” means a parent or stepparent, a grandparent or step-grandparent, a sibling (natural, adopted or step), a Spouse, a child (natural, adopted or step) or a grandchild (natural, adopted, or step);

“Fees” means the relevant fees set out in Schedule A of this By-law, and **“Fee”** means a given fee set out in Schedule A;

“Interment Authorization” has the meaning set out in paragraph 7.4;

“Inurnment” means the process of placing Cremated Remains in a receptacle, such as an Urn, and the placement of the receptacle into a Niche;

“Niche” means a space, usually within a Columbarium, designed for the Inurnment of Cremated Remains;

“Ordered or Personalized Goods or Services” means goods or services that because of being specially ordered, or because of personalization or other characteristics, cannot be used by the Cemetery in the ordinary course of business;

“Organization” means a society, church, community group or other organization;

“Ossuary” means a receptacle, usually located below ground, for the placement of non-recoverable, Co-mingled Cremated Remains;

“Plot” means a full-size burial Lot, which may accommodate the Interment of up to two caskets, one above the other, and up to 8 Cremated Remains;

“Regulation” means the *Cremation, Interment and Funeral Services Regulation* (British Columbia);

“Scattering” means the non-recoverable dispersal of Cremated Remains over a body of land or water within a defined area of a Cemetery; and

“Urn” means any receptacle, temporary or permanent, used for the encasement of Cremated Remains.

2.2. Schedules. The following schedules to this Bylaw form an integral part of the Bylaw:

Schedule A – Fee Schedule

Schedule B – Memorials

Schedule C – Types of Lots

3. ORGANIZATION OF OPERATOR

3.1. The Operator will have one 1 director.

3.2. The director of the Operator will appoint the following officers:

- (a) President
- (b) Chief Operating Officer
- (c) Treasurer
- (d) Secretary

4. ADMINISTRATION OF CEMETERY

4.1. The Operator will:

- (a) Administer the Cemetery in accordance with the Administrative Authority and CIFSA;
- (b) Maintain all records and information for the administration, operation, maintenance and management of the Cemetery as is required by the Administrative Authority and CIFSA;
- (c) Issue all Rights of Interment, Interment Authorizations and permits required and authorized by the By-law, except as otherwise provided in the By-law; and

(d) Establish Cemetery Policy.

4.2. Subject to compliance with the requirements of CIFSA, the Operator may determine from time to time the size and layout of the Lots and the developments and improvements to be carried out and made in and to the Cemetery.

5. RIGHT OF INTERMENT

Right of Interment / Interment Right Holder

5.1. Where, in this bylaw, reference is made to the approval or to something being done by an Interment Right Holder, where the Interment Right Holder is deceased, such reference will include Controlling Person of the Interment Right Holder's Human Remains or Cremated Remains.

5.2. The Cemetery may, subject to payment of Fees, grant to any person a Right of Interment for a vacant, unreserved Lot. From Fees for Right of Interment, the Operator will make the required contribution to the Care Fund. A Right of Interment does not vest in the Interment Right Holder any title or interest in the land or in a particular Lot.

5.3. The Operator may grant Rights of Interment in respect of an area of the Cemetery that is not yet developed provided:

- (a) the area has been approved by the Administrative Authority; and
- (b) the contract between the Operator and the Interment Right Holder sets out that the Right of Interment applies to a Lot that is not yet available for use and the earliest date on which the Right of Interment may be exercised.

5.4. The issuance of a Right of Interment does not entitle the Interment Right Holder to require the Cemetery to inter their own or their Designate's Human Remains or Cremated Remains in the Lot unless the Interment Right Holder complies in all respects with the provisions of the By-law, including, without limitation, the payment of all Fees related to the Interment.

5.5. Designates.

- (a) At the time of purchase of a Right of Interment, the prospective Interment Right Holder will designate, on the face of the Right of Interment contract, the Right of Interment is for the Interment Right Holder's own Interment, for the Interment of a Designate, and the designates authorized to occupy the Lot (exclusive of the Interment Right Holder). An Interment Right Holder may only designate one Lot for their own Interment.
- (b) In respect of Plots, the Interment Right Holder may list additional Designate(s) up to the maximum capacity noted in paragraph 7.12.
- (c) After the time of purchase of a Plot and before the time of need, an Interment Right Holder may add or remove Designates or make changes to the description of a class of Designates for such Plot on payment of an administration Fee.

Refunds

- 5.6. An Interment Right Holder will be entitled to a refund in respect of a Right of Interment as follows:
- (a) at any time up to and including the date that is 15 days after the date of the purchase of the Right of Interment, the Fees less any Ordered or Personalized Goods or Services; or
 - (b) after 15 days of the date of purchase of the Right of Interment, in accordance with paragraph 0.

Construction of Structure

- 5.7. An Interment Right Holder who wishes to construct a Family Mausoleum or Columbarium on contiguous vacant and unreserved Lots for the exclusive use of the Interment Right Holder and their Designate(s) must apply to the Operator for a contract. Both design and construction are subject to the Cemetery's approval.

Reclamation

- 5.8. In accordance with s. 25 of the Regulation, upon approval of the Administrative Authority, an Right of Interment may be reclaimed by the Operator where the Lot has not been used, but only if:
- (a) the Interment Right Holder would be at least 90 years of age;
 - (b) a period of at least 50 years has elapsed from the date of Right of Interment purchase;
 - (c) a minimum 90 days has passed since the Operator sent notice to the last known address of the Interment Holder setting out its intention to reclaim the Right of Interment and the Operator has not received a response; and
 - (d) the Cemetery has made diligent attempts to contact the Interment Right Holder but has been unable to locate or contact the Interment Right Holder.

Exclusive Sections for Organizations

- 5.9. The Cemetery may, by agreement with an Organization, and upon payment of Fees, reserve a section of a Cemetery to be used exclusively for the Interment and/or Inurnment of members of such Organization. Upon such an agreement being made, no person shall be interred in the reserved section without the written authorization of the Organization.

6. RIGHT OF INTERMENT TRANSFER OR SURRENDER

- 6.1. An Interment Right Holder may transfer a Right of Interment for an unused Lot to a family member, make a change to the Designate (including from the Interment Right Holder to a Designate), or Assign their Right of Interment to an unrelated individual, provided:

- (a) The Interment Right Holder makes the request for a transfer in writing;
- (b) the applicable Fee is paid;
- (c) the transfer takes place in the Cemetery Office, for cancelling, updating and/or issuing new documentation

6.2. At its discretion, the Operator will accept the surrender of a Right of Interment in exchange for the greater of:

- i) a refund of the original Fees paid, less the contribution to the Care Fund, or
- ii) 50% of the present retail value, provided:
 - (a) there are no Interments in the designated Lot;
 - (b) the Interment Right Holder provides written notice to the Cemetery of intention to surrender the Right;
 - (c) the Interment Right Holder pays the administration Fee in respect of the transfer, together with any Fees associated with the removal of any Memorial or adornments on the surrendered Lot.

7. INTERMENTS and INURNMENTS

General

7.1. Only Human Remains or Cremated Remains may be interred or memorialized in the Cemetery.

7.2. Interments:

- (a) shall only be performed within the Cemetery by the Caretaker;
- (b) using only materials and equipment required for use in Interments supplied by the Cemetery or approved by the Operator;
- (c) shall only be conducted in predefined Lots approved by the Administrative Authority; and
- (d) shall be conducted in a reasonable care and attention manner consistent with the dignity of the Cemetery and with general community standards.

7.3. The Cemetery and its Caretaker are not responsible for damage to any casket, Urn or other container, sustained during an Interment or Disinterment, except where such damage is caused by gross negligence of the Cemetery and its Caretaker.

Process & Timing

- 7.4.
- (a) At the time of need, the Interment Right Holder must complete and sign a document to authorize the Interment of the Human Remains or Cremated Remains and provide the Operator with certain information for its complete records, including information about the deceased's next of kin, the Interment Right Holder and statistical information (an "**Interment Authorization**").
 - (b) If the deceased is not the Interment Right Holder, the Interment Authorization will include a direction and acknowledgment by the deceased's Controlling Person that subsequent Interments in the same Plot will be authorized by the Interment Right Holder and not by the deceased's Controlling Person.
 - (c) *Designation at Time of Need.* The Interment Right Holder may direct, via the Interment Authorization, the Interment of a Family Member not included amongst the Designates for a Plot, and such direction will not constitute a change in Designate contemplated by paragraph 5.6(c) or a transfer contemplated by paragraph 6.1.
- 7.5. The Interment Authorization must be received at least two Business Days before the Interment is to take place. The Operator may schedule the Interment in a shorter time frame provided it is able to comply with all other applicable provisions of this By-law.
- 7.6. Following receipt of the signed Interment Authorization and payment of Fees from the Controlling Person, and provided the Interment Authorization is in order according to the Operator's records, the Operator will carry out the requested Interment within the Cemetery.
- 7.7. Interment shall be initiated within the following hours, or at other times approved by the Operator (the "**Business Hours**"):
- (a) In-ground casket burial – 9:30 am to 3:00 pm on Business Days
 - (b) Inurnment of cremated remains - 9:30 am to 3:00 pm on Business Days.
 - (c) The Operator may schedule Interments outside of Business Hours or Business Days subject to the payment of additional Fees and availability of the Caretaker.
- The Controlling Person is responsible for any late arrival Fees if the Human Remains or Cremated Remains are delivered to the Cemetery outside the Business Hours.
- 7.8. The Operator will complete unscheduled Interments of Cremated Remains within 30 days of all Fees being paid.
- 7.9. The Operator will carry out the specific instructions of the Medical Health Officer, defined in such Act, respecting Interment and the safety of all persons who may come into contact with the casket or container bearing the Human Remains in each case. The Operator will cooperate with the Medical Health Officer to the extent that such an Interment needs to occur outside regular working hours.

- 7.10. The Operator will permit the use of any grave liner or Burial Vault from an outside supplier other than the Cemetery, so long as the grave liner or Burial Vault meets the specifications of the Cemetery, in the Operator's discretion, acting reasonably. The installation of grave liners or Burial Vaults will be subject to Fees (for handling) which must be paid in full prior to installation. The Operator may request that grave liners or Burial Vaults be installed by their supplier, under the supervision of the Caretaker, at the Applicant's expense.
- 7.11. Families may request permission to witness the complete Interment process, referred to as a "watched close", at the Cemetery subject to the following:
- (a) a request to witness the Interment must be communicated to the Operator when confirming Interment date and time;
 - (b) the Cemetery will not be held liable for any injury to member of the public that are attending or witnessing an Interment process;
 - (c) all proceedings at the Interment site will be under the sole direction of the Caretaker; and
 - d) the Cemetery will charge Fees, to reflect the additional staffing required for a watched close.

Plots

- 7.12. The Operator will permit the Interment of up to two caskets and up to eight Cremated Remains (which maximum applies even if there are no caskets interred in a Plot), on any Plot. The Operator will permit the Interment of Human Remains or Cremated Remains of Designates at the direction of the Interment Right Holder. The Operator will be entitled to rely on the direction of the Interment Right Holder in carrying out subsequent Interments into the Plot, and will not be required to seek the consent of the Controlling Person in respect of all deceased whose Human Remains or Cremated Remains are interred in a given Plot.
- 7.13. Cremated Remains interred in a Plot, where a casket Interment is planned for that Plot, are required to be in a Burial Vault. If Cremated Remains are interred in a Plot without a Burial Vault, no subsequent Interments of caskets will be permitted.

Cremation Lots

- 7.14. The Operator will permit the Interment of up to two Cremated Remains in each in-ground cremation Lot. The Operator will specify in advance the capacity for Cremated Remains of given Niches.

Cremated Remains Interred Above Ground

- 7.15. Cremated Remains placed in a Columbarium must be enclosed in a sealed container or Urn constructed of permanent, durable material approved by the Operator.
- 7.16. Cremated Remains placed in an Ossuary are permanent, non-recoverable and Co-mingled. Placement of Cremated Remains in the Ossuary will only be performed by the Caretaker.

- 7.17. Scattering of Cremated Remains is permanent and are non-recoverable. Scattering of Cremated Remains is permitted only in designated locations and under the supervision of the Caretaker.

8. EXHUMATIONS AND DISINTERMENTS

- 8.1. The Operator will only exhume or disinter Human Remains or Cremated Remains in accordance with the following steps, which are in compliance with s. 16 of CIFSA:

- (a) the Operator must have received a written request to exhume or disinter from the Controlling Person of such remains;
- (b) the Operator seeks and receives approval of the Exhumation or Disinterment by the Administrative Authority;
- (c) in the case of the Human Remains of a person who, at the time of death, was known to have had an infectious or contagious disease or other disease dangerous to public health, the Operator gives written notice to, and receives permission from, a medical health officer under the *Public Health Act* (British Columbia); and
- (d) the Operator receives payment of Fees, or acceptable payment arrangements from the Controlling Person.

- 8.2. The Cemetery shall exercise all due care and attention in making an Exhumation or Disinterment but is not responsible for damage to any casket, Urn or other container sustained during Exhumation or Disinterment.

- 8.3. The Cemetery's responsibility with respect to Exhumation or Disinterment is limited to:

- (a) excavation of sufficient quantities of soil to permit access to the Human or Cremated Remains;
- (b) removal of intact burial containers or exposing the human remains enough to provide a funeral director access, in the event that a burial container is too decayed to remove, and
- (c) closure of the Lot.

- 8.4. In accordance with s. 18 of CIFSA, the Operator will require a Funeral Provider employed at the expense of the Interment Right Holder for the handling of any Human Remains in the existing Lot or any transfer of the Human Remains to the new Lot or other location.

9. CEMETERY DESIGN AND ORGANIZATION

- 9.1. The types of Lot currently available at the Cemetery are set out and described on Schedule C. The Operator may add additional types of Lot.

- 9.2. The Operator shall be solely responsible for the design and organization of the Cemetery.

- 9.3. The Operator may, in its sole discretion, allow a community group to have input on the design of a section of the Cemetery, provided such community group has purchased rights of interment in respect of a minimum number of Plots, as determined by the Operator in its sole discretion.
- 9.4. No Lot in the ground shall be defined by a fence, railing, coping, hedge, or by any other marking except as permitted in the Memorial provisions of this By-law.

10. MEMORIALS

- 10.1. A Memorial permit shall be issued by the Operator to authorize installation of all ground interment Memorials not supplied by the Cemetery.
- 10.2. Memorials will only be installed, removed or modified in the Cemetery when:
 - (a) an Interment Right Holder, or a person authorized by the Operator, has made application to the Operator;
 - (b) the applicable contribution is paid to the Care Fund as required in CIFSA; and
 - (c) all outstanding fees relating to the Lot, Interment and Memorial installation have been paid in full.
- 10.3. All Memorials shall only be supplied, placed, installed or removed by the Caretaker or other person authorized by the Operator. All Memorials shall conform to the approved plan, design and specifications of the Cemetery and its sections, and shall be constructed of continuous monument grade granite or memorial grade bronze, or other material(s) of a permanent nature as approved by the Operator. All Memorials shall conform to the specifications set out in Schedule B.
- 10.4. Installation of Memorials shall occur during Business Hours. Installations will be made as soon as possible after delivery of the Memorial to the Cemetery and timelines may vary depending on scheduling issues, weather conditions and ground conditions.
- 10.5. The Cemetery shall not be held liable for, or be obligated to repair any breakage or damage to any Memorial in the Cemetery, except as shall arise as result of the negligence of the Caretaker.
- 10.6. The Interment Right Holder, or the deceased's descendants, is required to keep in proper repair, at their expense and to the satisfaction of the Cemetery, all Memorials upon their Lot. Should any Memorial or Lot adornment erected in the Cemetery fall into a state of disrepair or become unsightly, then the Operator will document the condition and have the Memorial or Lot adornment removed from the Cemetery, in each case at the expense of the Lot holder or their successors. The Operator will provide 30 days' written notice to the last known address of the Rights Holds or next of kin before doing so.
- 10.7. Interment Right Holders may request that the Cemetery make repairs. All costs associated with the repairs will be borne by the Interment Right Holder or their successors.
- 10.8. The Operator may refuse to issue a permit to the Applicant if the Applicant has failed to comply with the requirements of the By-law. The Operator may reject Memorials, despite

the prior issuance of a Memorial Permit, when the Memorial does not comply with the specifications in this By-law, is not in keeping with the standard of the Cemetery, or contains epitaphs deemed inappropriate by the Operator, including reference to pets.

- 10.9. For in-ground Memorials finished dimensions of a granite Memorial or a bronze Memorial attached to a granite base shall be in accordance with the attached Schedule B. Concrete bases are not permitted.
- 10.10. Where incorrect inscription instructions, dimensions, specifications or locations are given on the Memorial installation application and signed by the Interment Right Holder, their successors or the cremation Memorial supplier, then the Memorial shall be removed and reinstalled at the expense of the Interment Right Holder, their successors, or authorized representative.

11. RIGHTS OF AND RULES RESPECTING VISITORS AND SUPPLIERS

- 11.1. Every person, including those in funeral processions, when entering and while within the Cemetery, shall obey the instructions of the Caretaker. Any person not behaving with proper decorum within the Cemetery or who disturbs the peace, quiet and good order of a Cemetery will be asked to vacate the Cemetery.
- 11.2. No person shall discharge any firearm within the Cemetery, except at Military funerals where the discharge of firearms is permitted only in regular volleys, under the command of the officer in charge, and only during the conduct of the burial service.
- 11.3. The Cemetery shall be open to the public at eight o'clock every morning and closed to the public at eight o'clock every evening, or at dusk, whichever occurs first.
- 11.4. Cemetery roadways are for the exclusive use of Interment processions, Cemetery patrons, or others as approved by the Operator. Vehicles shall not exceed 20 kilometres per hour. All operators of vehicles shall at all times obey the directions and orders of the Caretaker. Vehicles are restricted to roadways designated for the use of motor vehicles.
- 11.5. No person owning or having custody, care or control of a dog may allow the dog to be within the Cemetery unless the dog is kept on a leash of a maximum length of three metres, and must remove and dispose of all excrement in a sanitary manner.
- 11.6. No person, other than the Operator, may solicit orders for goods or services within the Cemetery.
- 11.7. No person may destroy, damage or deface and Lot, Memorial, fence, vegetation, gate or any structure in the Cemetery or injure or destroy any Cemetery improvements. No person, other than the Caretaker, may plant, remove, cut down or destroy any tree, shrub, plant, flower, bulb or decorative feature within the Cemetery.
- 11.8. No person may deposit any rubbish or offensive material within the Cemetery.
- 11.9. No person may play at any game or sport within the Cemetery.

Adornments, Etc.

- 11.10. Only flower containers, supplied by the Cemetery and installed by the Caretaker, or approved by the Operator shall be allowed and set in each Lot, except those vases that are part of an approved Memorial.
- 11.11. The Caretaker may remove from any Lot or from the Cemetery any adornment or other personal property that is detrimental to the operation or maintenance of the Cemetery, constitutes a hazard to visitors, employees or machinery, is unsightly or abandoned, is inconsistent with the dignity of the cemetery or general community standards, or does not comply with this by-law or the cemetery rules. Each year, from November 7 through March 1 of the following year, grave ornaments, potted plants, and memorabilia are not permitted on in-ground Lots. Glass, candles and ceramic objects are not permitted on or around Lots.
- 11.12. The Operator has no obligation to give notice to any person that Lot adornments or any other personal property has been removed. The Cemetery may destroy any perishable adornments or other personal property that it removes.
- 11.13. Cut and artificial flowers, wreaths and floral tokens or tributes may be placed on Lots in the Cemetery, but may be removed and disposed of by the Operator when their condition is detrimental to the appearance or beauty of the Cemetery. Plant material and grave adornments associated with seasonal events or celebrations will be removed 30 days after the event.

12. CARE FUND

- 12.1. A Care Fund for the future maintenance and care of the Cemetery and the Lots therein is hereby established, set aside and maintained. The Operator will direct the Bank to hold and invest all monies in the Care Fund as trust funds and in accordance with the requirements of CIFSA.
- 12.2. The Care Fund will be maintained with the financial institution of the Operator in an account to be designated as the "Care Fund". The Operator will be responsible for all deposits to such account and for ensuring that:
 - a) the account at all times complies with the provisions of CIFSA;
 - b) any investment of any monies in the Care Fund is permitted under CIFSA; and
 - c) any interest earned on the investments of the Care Fund may be used for maintenance and care of the Cemetery in the year in which the interest and income is earned, or may be retained in the Care Fund to increase the principal sum.
- 12.3. The Operator may, on behalf of the Cemetery, accept voluntary payment to the Care Fund from any person or organization.
- 12.4. The principal sum of the Care Fund will not be reduced other than in accordance with an order from the Administrative Authority pursuant to CIFSA.

13. COMMENCEMENT AND TRANSITIONAL PROVISIONS

13.1. This By-law will come into force and take effect on the date of enactment.

ENACTED by Board of Directors of Heritage Gardens Surrey Cemetery Ltd. this 1st day of January, 2018.
